

7TH ANNUAL THE GINORMOUS VIRTUAL CLIMB CLIMB FOR KIDS ⚡ JUNE 6, 2020

The Children's Advocacy Center of Suffolk County (CAC) has been helping children and families in our community find hope and healing for over 20 years. Nearly 2,000 children are referred to the CAC to talk about the abuse they've suffered each year. Since 2014, our community has rallied around these brave kids to raise awareness and support for the issue of child abuse at the **GINORMOUS CLIMB**.

The **GINORMOUS CLIMB** is going virtual! While we can't be together, our Superheroes will climb 60 stories (1,740 steps) from their homes and neighborhoods to (virtually!) reach the top of 200 Clarnedon, New England's tallest building.

Your support as a sponsor makes the **GINORMOUS CLIMB** possible, and helps ensure that the CAC is a place where children can feel safe, cope with trauma, seek justice, and heal. Abuse and exploitation doesn't take a break, and neither will we!
